EDUCATIONAL PARTNERSHIP OPPORTUNITY

Equipping Children for Life. Building Tomorrow's Leaders

THE VISION

A Quality Education Within Reach

Every child deserves access to an excellent education that develops the whole person. Elevate Christian Academy provides a Christ-centred learning environment from early childhood through Grade 12, where learners are known, valued and equipped with knowledge, character and confidence.

A Pathway That Should Not End

Many families in Estcourt and the surrounding communities live on limited or uncertain incomes. Our wider ministry also operates Fountain of Life and Dayspring, two early-childhood mission schools serving under-resourced communities. When children reach Grade 1, financial barriers can close the pathway that began so well. We want that pathway to remain open.

One Child at a Time

Behind every school fee is a child with potential. Educational partnership enables us to look beyond a family's present circumstances and invest in what that child may become - a responsible parent, skilled professional, entrepreneur, pastor, teacher or community leader.

VISION SNAPSHOT

Christ-centred holistic education

Rooted in faith and focused on the whole child.

Small classes and personalised learning

Individual attention and stronger growth.

Strong family involvement

A close-knit community and shared responsibility.

Academic, spiritual & character formation

Developing minds, hearts and values.

Equipping tomorrow's leaders

Purpose-driven learners prepared for meaningful lives.

**“ Train up a child in the way he should go,
and when he is old he will not depart from it.**

Proverbs 22:6

”

OUR MISSION

To create a sustainable educational pathway for deserving children - from their earliest years through primary and secondary school - regardless of the financial limitations into which they were born.

Equipping for Life.
Building Tomorrow's Leaders.
